

Role of the Coach

The Coach is the leader of the team and is responsible for steering the direction of the team and supporting players to achieve their best individually and as a team during their representative season.

A coach's main responsibilities include:

- Attendance at all training sessions, carnivals, and coaching development sessions
- Develop training plans to develop players as individuals and the team as a whole
- Provide constructive feedback to individual players and the team as a whole
- Planning game strategies
- Including the Assistant Coach in team decisions and coaching strategies to assist in their development
- Setting team goals and guidelines for the representative season
- Liaising with the team manager for all team communications
- Attending meetings set by UPNA in relation to the team both pre and post representative season
- Promoting the UPNA values within the team

Coaches must hold a blue card and have the required accreditation or working towards for their competitions.

Junior State Age – Accreditation – Development
