

Role of the Assistant Coach

The Assistant Coach is to support the Coach as needed, and to develop their skills to progress to the role of Coach.

An assistant coach's main responsibilities include:

- Attendance at all training sessions, carnivals, and coaching development sessions
- Assisting the coach in developing and running training sessions – including running the warmup at training
- Ensure that equipment meets safety standards and are appropriate for the age and ability of players
- Assist with coaching and supervision of players at training and competitions – ensuring they abide by the UPNA rules
- Assist with planning and implementation of game strategies
- Support the coach with setting the team goals and guidelines for the representative season
- If required track each player's court time
- Assist coach by taking stats as directed

Assistant Coaches must hold a blue card and have the required accreditation or working towards for their competitions.

Junior State Age – Accreditation – Development

Senior State Age – Accreditation – Development
